 - ii) Conduct an unofficial survey of current K students, we need at least 56 K students to be in the program
 - iii) Write a letter to the school board with evidence and request
 - b) Action Items:
 - i) Suzie: will check on requirements and if needed, create a survey to gather interest from current K parents.

- 5) Kindergarten Bike Rack - Sarah
- a) A couple of parents have reached out explaining that K kids are riding bikes to school. Kids in half day K have to find someone to unlock the gated bike rack. Parents are hoping for a small rack closer to K, in the

front of the school. Bringing own locks probably needed. Just a slotted metal rack would do.

b) Action Items:

i) Suzie will bring a rack from her house and set it out front.

6) Halloween Decorated Houses?

a) Sarah will send the link to Suzie to send out on Parent Square.

7) Upcoming Meetings @ 10:30-11:30am
